Yes, please. It can just be a brief note (e.g., we can cite a section of the document or something that we can later pull more detail from), so don't spend a lot of time on the details...

Here are some comments on the table you prepared.

I assume you want comments on the long form write up as well?

As for the table I mentioned in the assessment, just convert the '---' to NR.

Thanks, Tom.

Do you think you will have time to add your suggestions regarding the materials to be sent to Tina, noting that we probably want to send them to the group attending the meeting tomorrow within the next couple hours?

Hi Tom,

In the table, does the dash mean not evaluated/ not reported? Does NR and dash mean the same thing?
